This site will not work properly if you don't have the latest version of Google Chrome, Mozilla Firefox, Safari and Internet Explorer (v11).

IMPORTANT - During the rechartering process, unit roster data may not reflect updated information until councils post and update unit's rechartering information in ScoutNET.

You must have an account to access certain tools and services. You can also login using your myscouting.scouting.org username and password. If you don't have an account, this document will provide instructions on how to create one.

To begin, select Create Account.

A search will be performed to see if you're in our system.

Are you already associated with the Boy Scouts of America?

Yes

No

Upon selection, you will be asked if you're already associated with the Boy Scouts of America. We'd like to know if you've ever been involved (i.e. FOS, Fundraising, Jamborees, etc.) so that we can try to find you in our database and not generate a new member ID. This helps ensure any trainings you've completed are tied to the correct member ID.

In this example, we will select 'No'. If you select 'Yes', follow the process on [page 10](#) to continue.
